Equilibra

The Natural Approach offers you the opportunity to feed your horse as close as possible to the way nature intended...at VERY COMPETITIVE prices.

Equilibra 500 - A Natural Solution

Equilibra 500 is specifically designed to be fed throughout the year as a complement to the forage diet of any horse or pony. Uniquely formulated and proven since 1989, Equilibra is **not** a feed supplement, but a pelleted, complimentary horse feed, composed entirely of extremely high quality natural ingredients - many of which are normally available only as expensive additives.

More than just a feed balancer, Equilibra 500 is a nutricine based functional feed designed to create a 100% functioning gut to supply complementary advantages for the whole digestive system. (Nutricines are naturally occurring feed components with health benefits.)
